

Benefits of membership

Rotary is Humanity in Motion. There are many reasons to join a local Rotary club:

Networking: An original goal of Rotary was to allow club members to meet periodically and enlarge their circle of business and professional acquaintances. As members of the oldest service club in the world, Rotarians represent a cross-section of their community's business owners, executives, managers, political leaders, and professionals - people who make decisions and influence policy.

Service: Club members have many opportunities for humanitarian service, both locally and internationally. Service programs address concerns such as health care, hunger, poverty, illiteracy, and the environment. Rotarians regularly experience the fulfillment that comes from giving back to the community.

Friendship: Rotary was founded on fellowship, a cornerstone that continues to attract members today. Rotarians enjoy camaraderie with like-minded professionals, and club projects provide opportunities to develop enduring friendships. Club members who travel have friendly contacts in almost every city of the world.

Family: Rotary sponsors some of the world's largest exchange and educational programs. Rotary clubs provide innovative training opportunities and mentoring for young leaders, and they involve family members in a wide range of social and service activities.

Ethics: Encouraging high ethical standards and respect for all worthy vocations has been a hallmark of Rotary from its earliest days. In their business and professional lives, Rotarians abide by The Four-Way Test:

Of the things we think, say or do

Is it the TRUTH?

Is it FAIR to all concerned?

Will it build GOODWILL and BETTER FRIENDSHIPS?

Will it be BENEFICIAL to all concerned?

Leadership: Rotary is an organization of successful professionals. Team-building, fundraising, public speaking, planning, organization, and communication are just some of the leadership skills that club members can exercise and enhance. Being a Rotary leader provides further experience in motivating, inspiring, and guiding others.

A CLUB ASSEMBLY

is held to inform and involve the entire club in the activities and fellowship of the club.

What is Rotary?

Rotary International is an association of Rotary clubs worldwide. It's made up of more than 32,000 Rotary clubs in over 200 countries and geographical areas. The members of these autonomous clubs are called Rotarians, and they form a global network of 1.2 million business and professional leaders, all volunteering their time and talents to serve their communities and the world. Individual Rotary clubs, in turn, belong to the global association called Rotary International. Find out more about Rotary's history and structure.

What are the responsibilities of membership?

Members are expected to attend weekly club meetings. They must pay annual dues to their clubs, their Rotary district, and Rotary International, and they're expected to participate in local or international Rotary club activities or projects. Clubs encourage members to aspire to club leadership or committee roles.

What are the attendance requirements?

An attendance record of 50 percent is required to remain an active Rotarian. Any missed meeting must be made up within 14 days before or after the regular meeting. To accommodate busy schedules, there are various opportunities to make up missed meetings.
